FOR FORCING PURPOSES

Our grower tells us to recommend for forcing purposes the one-year-old clumps. They will give best results. They are more economical for the grower to buy on account of the price and shipping charges and give best results.

Our Delphinium are specially handled so that they give wonderfully good results when forced properly under glass.

Our Business Is to Supply You with EVERYTHING IN YOUNG POT PLANTS AND ROOTED CUTTINGS

These are grown especially for our shipping trade and therefore well established and properly rooted before sent out. Packing is done very carefully, according to weather conditions at time of shipping.

SHIPMENTS

As soon as properly rooted, shipments are made by Parcel Post, if it is a small package, or Express if a larger order. If stock is not in good condition on arrival, promptly notify the carrier and advise us immediately. While we do not guarantee safe arrival, we feel certain that you will be well satisfied with the stock and packing.

PRICES

Are made somewhat in advance of season and are subject to change without notice, and also subject to crop failure.

WARRANTY

We endeavor to send out only the very best quality of plants, cuttings, bulbs and seeds, but under no circumstances do we guarantee results of crops. If our goods are not accepted on these conditions, same should be returned to us within five days.

CLAIMS

All claims must be made within 5 days after receipt of goods.
